WIRELESS CHARGING FURNITURE

## Why invest in charging solutions

### SAFETY

Decrease safety issues by removing electricity.

### TURNOVER

Increase turnover by customer loyalty and basket average.

### IMAGE

Strengthen your image by leaving a lasting impression.

### COSTS

Lower maintenance costs by removing electricity.

### BOOST

Boost frequency by attracting new customers.

### DIFFERENTIATION

Differentiate yourself from your competition.

### CUSTOMER EXPERIENCE

Enhance customer experience by offering this high value-added service.
